

Common Cents

"An inside look into businesses and companies in the City of Torrance"

Common Cents is a half-hour show that explores local companies and small businesses, introduces viewers to the people behind the scenes and provides a comprehensive look at their operations, history and mission. **Common Cents** promotes a supportive relationship among the business community, the city government and the community at large.

Show #6.06
featuring

FIELD MANUFACTURING CORPORATION

Cablecast: 8/9/2006-9/6/2006

Founded in 1947 by the late Frank Field, Field Manufacturing Corporation services all kinds of industries from the store fixture and appliance industry to the automotive and entertainment industries. Their services include: plastic injection molding and tooling, extrusion, metal and plastic fabrication, assembling, packaging and shipping. Field Manufacturing was the first company in North America to manufacture glass-like plastic wine bottles that could be used where glass is banned, such as parks, beaches and parking lots, or where glass is considered dangerous, such as at pool areas, on cruise ships, airplanes and in sports stadiums.
